

EMCEI
15–18 MAY 2024
MARRAKESH, MOROCCO

The Official EMCEI's Journal

“ Extended Submission Deadline
31 January 2024 ”

Dear colleague,

In partnership with the editorial office of the Euro-Mediterranean Journal for Environmental Integration (EMJEI, co-published by Springer and the University of Sfax Tunisia), Performer organizes the 6th EMCEI at the Congress Center of the University of Cadi Ayyad (UCA) in Marrakesh, Morocco. The 6th EMCEI will be organized in collaboration with UCA, Mohammed VI Polytechnic University (Ben Guerir Campus), and other universities in the Euro-Mediterranean region.

The proceedings will be published in the Springer/IEREK ASTI Book Series (indexed in Scopus and SCImago) and extended papers will be published in Special Issues of EMJEI and other journals (indexed in Scopus and Web of Science) published by Springer Nature, Elsevier, MDPI and other publishers.

Visit our website (2024.emcei.net) to learn more about the event.

On this occasion, we are pleased to invite you to take part in the conference (in-person or virtually) and share/discuss your latest research findings.

EMCEI -24 Keypoints:

- The EMCEI is the largest conference covering all themes of environmental sciences and engineering in the Mediterranean region (400 attendees on average from over 80 countries).
- The conference aims to gather new research contributions from all disciplines of environmental earth sciences by scientists from diverse backgrounds, and thus makes an essential contribution towards ensuring that science and knowledge contribute to the promotion of a more sustainable environment for the Euro-Mediterranean and surrounding regions.
- The main objectives of the conference are to support research and innovation, to promote the exchange of scientific knowledge, and to foster collaboration among Euro-Mediterranean communities.
- The EMCEI-24 will take place on 15–18 May 2024 in Marrakesh, Morocco.
- It will go ahead in person but there will be a possibility to present online.
- It will feature talks and panels on new indicators and directions in research, development and innovations in the multidisciplinary fields of the environmental sciences.
- Abstract submissions (max. 350 words) will be accepted until 31 January 2024. Please read the [Guidelines](#).
- The EMCEI-24 encourages submissions of research works not only from the Euro-Mediterranean realm but from all regions of the world.
- Read about our [EMCEI-24 Publication Plan](#).
- Discover here the [Past Events](#).
- Contact us, if you need more information: contact@emcei.net
- Your participation in-person or virtually will support EMCEI's mission of ensuring a sustainable environment for societies in the region... Join us for a memorable experience!

We invite you to come to **Marrakesh, Morocco** and contribute to and participate in an exciting conference in a stimulating environment!
